name	label	values
i/jtrvar142	Weight change last 6 months	na, asked(-1), not changed(1), gained weight(2), lost weight(3)
i/jtrvar143G	Weight gain kilogram	na, see I/JTRVAR142, na, asked(-1)
i/jtrvar143L	Weight loss kilogram	na, see I/JTRVAR142, na, asked(-1)
i/jtrvar144G	Weight gain reason	na, see I/JTRVAR142, na, asked(-1), sickness(1), eating more or different(2), less physical activity(3), combination of eating more/different and physical inactive(4), combination of eating more/different and physical inactive(5), other reason → I/JTRVAC144(6)
i/jtrvar144L	Weight loss reason	na, see I/JTRVAR142, na, asked(-1), sickness (unintentional)(1), diet (intentional)(2), other diet (unintentional)(3), more physical activity (intentional)(4), reason unknown (unintentional)(5), social factors (unintentional)(6), other reason → I/JTRVAC144(7)
i/jtrvac144	Weight change other reason: coded	na, see I/JTRVAR144L/G(-2,0), na, asked(-1,0), sickness (unintentional)(1,0), medication (unintentional)(1,1), physical inact due to sickness (unintentional)(1,2), lost weight due to sickness now gained weight (unintentional)(1,3), diet (intentional)(2,0), eating less or different (unknown)(2,1), eating more or different (unintentional)(2,2), eating more and physical inact (unintentional)(2,3), quit smoking (unknown)(2,4), smoking (unknown)(2,5), eating less and physical active (intentional)(2,6), eating less or different (unintentional)(2,7), social factors (unintentional)(3,0), social factors recoded (unintentional)(3,1), do not know (unintentional)(5,0), other reason (implausible reason) (unknown)(5,1), physical activities (intentional)(6,0), physical activity (unknown)(6,1),

Variable information: LASAI714 / LASAJ714

		physical inactivity (unintentional)(6,2), working harder (unintentional)(6,3), physical activity (unintentional)(6,4), older age (unintentional)(7,0), loss of appetite (unintentional)(8,0), diuretics or dehydration(9,0), oedeme/ascites(9,1), quit prednison(9,2)
i/jtrvc144G	Reason weight gain (constructed)	na, see I/JTRVAR144(-2), na, asked(-1), sickness(1), related to eating(2), physical inactivity(3), eating and physical inactivity(4), reason unknown(5), other reason(6), 'aging'(7), 'social factors'(8),
i/jtrvc144L	Reason weight loss (constructed)	na, see I/JTRVAR144L(-2), na, asked(-1), sickness (unintentional)(1), diet (intentional)(2), different diet (unintentional)(3), physical activity (intentional)(4), reason unknown (unintentional)(5), social factors (unintentional)(6), other reason(7), eating less or different (unknown)(8), eating less and physical active (intentional)(9), physical activity (unintentional)(10), physical activity (unknown)(11), aging (unintentional)(12)
i/jtrapp6m	Appetite last 6 months	na, asked(-1), good(1), moderate(2), poor(3)
i/jtrestw	Estimation body weight	na, section not done(-3), na, asked(-1), severe underweight(1), underweight(2), approx. normal weight(3), overweight(4), severe overweight(5), do not know(6)
i/jtrmed155	Weight: self-report	na, asked(-1)
